Dear Maine Charter School Commission:

Thank you for your time in reviewing Wayfinder Academy's application for Charter School status.

We have decided to stay focused on the work we know, and the work we do well as a private school, which is to offer an alternative for students who struggle in traditional school settings.

We are, at this time, respectfully withdrawing our application for charter status.

Thank you for your time and consideration.

Sincerely,

Dr. Dorothy Foote
CEO & Head of Schools

Paul Andrews
Wayfinder Academy Board Chair
